

Leaders Academic Accreditations

DUAL CERTIFICATION

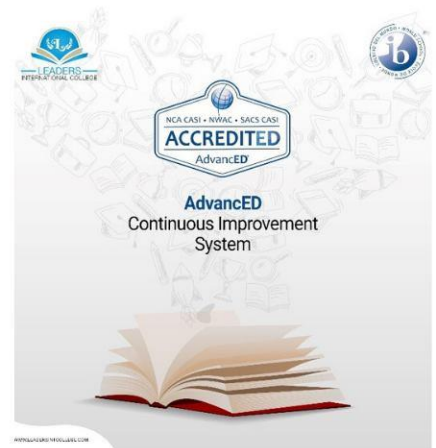

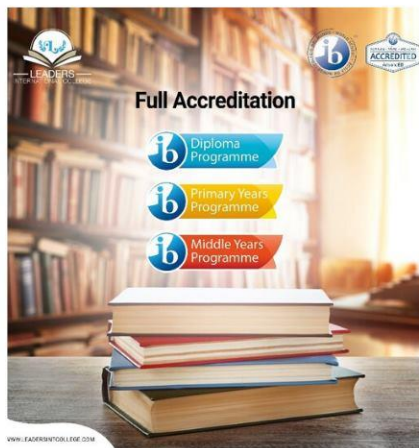

It is the only school in Egypt that will offer your child a unique opportunity to earn dual certificate: the IB Diploma and the American Diploma where LIC successfully developed the first school in Egypt with one merged curriculum.

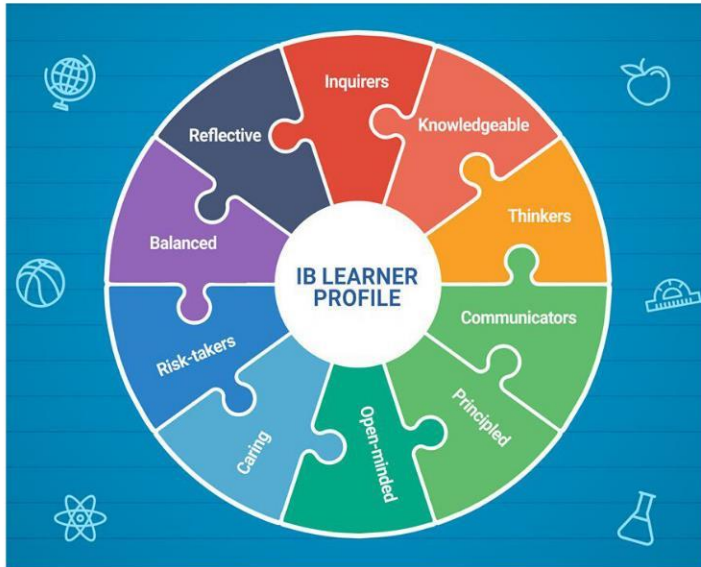

Our IB official status at Leaders is an AUTHORIZED SCHOOL FOR PRIMARY YEARS, MIDDLE YEARS, AND DIPLOMA PROGRAMMES.

For the American System by AdvancED. The school is AUTHORIZED from the North Central Association Commission on Accreditation and School Improvement (NCA CASI). NCA CASI is an accreditation division of AdvancED.

Value Oriented Education:

Leaders International College is offering value oriented education. Students value their own culture and personal history and are proud of their Arabic language. At the same time, they are open-minded citizens who appreciate the values and traditions of others and are continually exposed to different perspectives and global contexts. The end result is a generation of internationally minded citizens who take charge of their learning; and through understanding and respect, help make the world a better place.

IB Learning Profile

The aim of all IB programmes is to develop internationally minded people who, recognizing their common humanity and shared guardianship of the planet help to create a better and more peaceful world.

IB learner strives to be:

Inquirer	Open-minded
Knowledgeable	Caring
Thinker	Risk-taker
Communicator	Balanced
Principled	Reflective

The Diploma Programme (DP) curriculum is made up of six subject groups and the DP core, comprising theory of knowledge (TOK), creativity, activity, service (CAS) and the extended essay. Through the Diploma Programme (DP) core, students reflect on the nature of knowledge, complete independent research and undertake a project that often involves community service.

"Run for a Tree" event is aiming to raise awareness about the negative impact of global warming and inspire others to take positive actions towards saving the environment by planting more trees.

In order of reviving copper handmade industry Maya, MYP5 student through her personal project, decided to film a documentary to raise people's awareness.

A call from Mai Nasser, MYP5, through her personal project "Technology is Burying me Alive" to reflect on the precious moments that technology is depriving us of.

The First IB World Schools' Conferences in Egypt.

Leaders International College was proud to host and organize the First IB World Conference in Egypt. Mrs. Margaret Harris, IB World Schools' Manager, was the key speaker in the conference. In addition, we were proud to invite our Quality Assurance Academic

Consultant and IB Consultant, Mr. Alain Rodrigue as a guest of honor, who is assigned later to be Leaders IB Academic Dean due to his outstanding performance throughout the year 2019/2020 in his capacity as Leaders Consultant. The conference brought together Heads of Schools, pedagogical

leaders and individuals concerned with the realm of education in an atmosphere of acceptance and collaboration. It has been an absolute privilege to have our guests attend this conference in order to further augment the IB values and objectives LIC strives to convey.

Glimpse of the most popular press releases that were published after the great success of the First IB World Schools' Conferences that was organized and hosted by Leaders International College in presence of the General Manager of Ministry of Education and its members

THE FIRST IB WORLD SCHOOLS' CONFERENCES IN EGYPT.

Ms. Maragareth Harris, The IB World Schools' Manager's visit to Leaders International College.

In the course of her visit to Egypt, hosted by Leaders International College, Mrs. Margareth Harris was invited to spend a day at LIC. Ms. Margareth has held productive meetings with the Pedagogical Leadership Team, staff members and students. Moreover, she offered valuable insights and reflections on LIC's implementation of the three IB programs: PYP, MYP and DP.

Ms Margareth's visit comes as an assurance of support to LIC community, confirming the school's adherence to the IB Standards and Practices and to international benchmarks.

Believing that the collaborative culture is the essence of the IB philosophy, came our initiative to invite MYP distinguished educators and colleagues all over Egypt to pass unique ideas, discuss teaching and learning approaches as well as build a network based on constructive inputs and insights. Leaders' "Job-alike" initiative helped foster a role-model of an ideal IB community.

Prof Dr. Elke Montanari, from Stiftung Unversitat Hildesheim, while visiting Leaders International College, to supervise and assure that the school is working according to the international standards.

Our beloved MYP students at Goethe-Institute Cairo, as they achieve high grades in the German International Exam "Fit 1".

Leaders Field Trips and Events

IB Field trips and events are serving the academic content as they are attached to each unit and its lesson plan, the thing that will help students apply what they learn in class to the external world of biotic and abiotic factors.

LEADERS AGAINST COVID- 19

**Wear your mask
and stay safe**

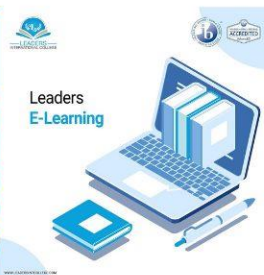

Leaders International College is following the WHO health, safety and hygiene measures. In the sake of our Leaders' family; staff members, parents and young heroes' safety as, it remains our first priority. So we dealt with The Factory to make us and deliver the

amazing sanitizing booth, in order to keep our growing family safe and to always make sure that our school premises are highly sensitized. In addition, the school premises is highly sanitized on a daily basis through our sanitizing team. Also, the school took its community role in spreading awareness

among children and adults about the required precautions against Covid- 19 and how to improve their immunity system, stay healthy and safe. Finally, the school kept encouraging the students to keep balance in their daily life, the thing that will help them revise and study their lessons effectively.

Great News!
25%OFF
E-Admissions
Now Available

In order to keep following the new era after the crises of covid- 19 and the lockdown, Leaders International College developed some E-learning digital tools to deliver students the benefit of the academic content while they are staying at home. As a result they will be able to get their lessons regularly, to interact with their class teachers, and to let the teachers communicate easily with all students whether through the daily online classes or any other online service that we are applying. Not forgetting the importance of enrolling the young and new students in such a powerful IB school. Leaders launched a new service that will enable expatriates and abroad students to perform their admission, enrollment procedures and assessments online. Applicants can now view their admission assessments online and a professional proctor will guide the applicant till he/she finishes and submits the assessment. Your comfort and safety remain our first priority.
